## Words from Mother Dragon

Thank you to all the families for supporting our **Animal Care Team!** Our mask fundraiser raised \$304 for our local club.

The money from this fundraiser is used to help lost, hurt, and homeless animals in Fort St James and area.

This Sunday is Halloween.! We had a fantastic costume day today! We celebrated with a pa-

rade, some pumpkin carving and some class parties.

The creativity of our children and families is always impressive.

On Sunday when you are out trick or treating, please park your car and walk your children throughout the neighborhoods. It is much safer, healthier and will result in a lot

more giggles and fun!

Have a safe weekend.

Our School Community is increasing the amount of Carrier Language our students see and hear. Every week we will place a new word or phrase in this area. We are hoping that you will add it to your vocabulary and use it with your children at home.

First Voices ([www.firstvoices.com](http://www.firstvoices.com)) is an amazing site that all families should visit (It can help you with proper pronunciation.)

## Community Dragons

We would like to send out a huge thank you to the Historic Park.

They donated 100 pumpkins to our school. The students had fun designing and carving Jack O Lanterns.

They also generously donated a goodie bag for each student in the building! Musi!
